VT750C Shadow ACE (1998-2000), VT750DC Shadow Spirit (2001-2006), VT750CD Shadow ACE Deluxe (1998-2003)

A complete workshop guide to restoring and maintaining your classic British motorcycle. Covering the principles of restoration and maintenance, and therefore applicable across all post-war classic British marques such as BSA, Matchless, Triumph, Norton, AJS and Royal Enfield, Classic Motorcycle Restoration and Maintenance covers everything from general maintenance procedures to full engine strips and rebuilds. With step-by-step instructions and over 800 images, the book covers, amongst other things, buying guides, legislation, essential tools, workshop advice, safety, stripping and rebuilding the key components for both singles and twins. The common parts manufacturers, such as Amal, Smiths and Lucas are covered too. With general maintenance, advice, recommended sources and additions included, this new book is an essential resource for the classic motorcycle restorer. The book also covers: a brief history of the rise of the classic motorcycle movement; wiring, fitting and testing the electrical system; cycle parts - restoring the tin-ware, painting and refinishing. Superbly illustrated with 735 colour images and 80 CAD diagrams along with step-by-step instructions.

Celebrate more than a century of Harley-Davidson history with this definitive e-guide. Ultimate Harley-Davidson tells the story of the world's greatest motorcycle marque - from its origins in a backyard shed to the international company it is today. Gloriously illustrated gallery spreads showcase more than 70 of the best Harleys ever built, highlighting and exploring their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalogue of every production model provides technical data and key specs for each bike - including racing models, special one-offs, and limited-edition production runs. From the early bikes and their key innovations to the v-rods and sports bikes of recent years, it is the complete guide for lovers of this American classic. Whether you're an easy rider or born to be wild, there is only one Harley-Davidson, and this is the book for you.

Haynes has discovered all the problems that motorcycle owners could possibly encounter when rebuilding or repairing their bikes. Documenting the most common DIY fixes with hundreds of illustrations and step-by-step instructions, this compendium of repair, modification and troubleshooting advice is applicable to all domestic and import marques.

Never Far Away is a short story and resource for the parent who has a child that doesn't like to separate from them when time for school or work. It has illustrative pictures and content for the parent and child to interact before they go about their day.
