"In order to regain her spiritual footing, Sonia turned to the age-old practice of pilgrimage and set out to walk the legendary Camino de Santiago, an 800-kilometer (500-mile) trek over the Pyrenees and across northern Spain. Day after day she pushed through hunger, exhaustion, and pain to reach her destination. Eventually, mortification of the flesh gave way to spiritual renewal, and she rediscovered the gifts of humility and forgiveness that she needed to repair her world."--Publisher.

1786, Jerusalem College, Cambridge The ghost of Sylvia Whichcote is rumored to be haunting Jerusalem ever since student Frank Oldershaw claimed to have seen the dead woman prowling the grounds and was locked up because of his violent reaction to these disturbed visions. Desperate to salvage her son's reputation, Lady Anne Oldershaw employs John Holdsworth, author of *The Anatomy of Ghosts* -- a stinging account of why ghosts are mere delusion--to investigate. But his arrival in Cambridge disrupts an uneasy status quo as he glimpses a world of privilege and abuse, where the sinister Holy Ghost Club governs life at Jerusalem more effectively than the Master, Dr. Carbury, ever could. And when Holdsworth finds himself haunted--not only by the ghost of his dead wife, Maria, but also by Elinor, the very-much-alive Master's wife--his fate is sealed. He must find Sylvia's murderer, or else the hauntings will continue. And not one of this troubled group will leave the claustrophobic confines of Jerusalem unchanged. CWA Cartier Diamond Dagger winner Andrew Taylor returns with an outstanding historical novel that will simultaneously keep the reader riveted, and enchant with its effortless elegance.

Emerging from Bellmarsh Prison, with nothing but a black plastic sack of clothes, the author recounts how he was accepted at Wycliffe Hall Oxford to read theology and how this reconditioned his mind as well as his soul. This sequel to his first volume of autobiography (*Pride and Perjury*), starts his story as he is taken down from the courtroom.

The author describes her many years of reporting on the White House, exploring the changing relationship between the presidency and the press
