American Psychosis is a different type of book for Dr Torrey. He focuses on the Federal Government and the errors within our system that have led to poor mental health treatment. Although I wasn't pulled in at the beginning, Dr E Fuller Torrey is a wonderful advocate for the severely mentally ill and those who are untreated within our society.

American Psychosis: How the Federal Government Destroyed ...

American Psychosis is a devastating but important critique of the American Mental Illness system. The Community Mental Health Center movement began in 1963 with a law signed by John F. Kennedy. Efforts to implement the law failed to achieve the promise of the overly ambitious law. This book goes into detail about the failures.
