Howl with laughter with Dog Man, the internationally bestselling series from Dav Pilkey, the creator of Captain Underpants! He was the best of dogs... He was the worst of dogs... It was the age of invention... It was the season of surprise... It was the eve of supa sadness... It was the dawn of hope... Dog Man hasn't always been a paws-itive addition to the police force. While he can muzzle miscreants, he tends to leave a slick of slobber in his wake! This time, Petey the cat's dragged in a tiny bit of trouble -- a double in the form of a super-cute kitten. Dog Man will have to work twice as hard to bust these furballs and remain top dog! Dav Pilkey's wildly popular Dog Man series

appeals to readers of all ages and explores universally positive themes, including empathy, kindness, persistence, and the importance of being true to one's self.

David Icke exposes what he says is the real story behind global events which shape the future of human existence.

Portrays the dramatic lives of the people living in a small town near a huge stone bridge in the Balkans

Follows the humorous adventures of ten-year-old Darcy and her friends and family.

David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept

this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. The Robots' Rebellion: Table of Contents Introduction Remember Who You Are PART ONE: The Darkness The Takeover Bid Collective Amnesia The Brotherhood of Clans Bible Stories Hell on Earth Arabian Knights The Cracks Appear Eagle Tails The Rule of Science The World at War Big is Beautiful The New World Order When Will We Ever Learn? PART TWO: The Light Goodbye to All That The Economics of Enough The Politics of People The Science of Sanity Bricks in the Wall Exploitation of the Spirit The World Needs Rebels

The explosive sequel to *Trainspotting*— ten years down the line. Still scheming, still scamming – it's ten years later and the boys from *Trainspotting* are still trying to fight for the first-class seats as the locomotive careers at high speed towards the buffers. Simon "Sick Boy" Williamson is back in his native Edinburgh after a spell in London. Having failed spectacularly as a

hustler, pimp, husband, father and businessman, he taps into an opportunity, which to him represents one last throw of the dice. For this scam to work, Sick Boy needs bedfellows. A desirable one may be the lovely Nicola Fuller-Smith, a young student with enough ambition, ego and troubles to rival his own. However, to realize his dream of directing and producing a pornographic movie, Sick Boy teams up with old pal and fellow exile Mark Renton and a motley crew that includes the city's favourite ex-aerated-water-salesman, "Juice" Terry Lawson. In the world ofPorno, however, nothing is straightforward as Sick Boy and Renton find out that they have unresolved issues to address concerning the increasingly unhinged Frank Begbie, the troubled, drug-addled Spud, but, most of all, with each other.
