Grounded in attachment theory, this essential guide will help you identify your thoughts and feelings, balance your emotions, communicate your needs, and set healthy boundaries to improve your life. When you 're assertive, you 're able to communicate your needs and wishes clearly while respecting yourself and anyone else involved in the interaction. But when you aren 't assertive, you may stop yourself from saying anything when your needs aren 't being met, or end up lashing out in hostile or hurtful ways. People with different attachment styles struggle with being assertive for different reasons, and even women with a secure attachment style may have difficulty expressing emotion when faced with challenging circumstances. Using strategies based
