Anupama's fairytale marriage to Anand falls apart when she discovers a white patch on her foot and learns that she has leukoderma.

Translated from Kannada.

House of Cards is the story of Mridula, a bright young woman with enormous enthusiasm for life who hails from a Karnataka village. A chance meeting with Sanjay, a talented but impoverished doctor, leads to love—and the couple marry and settle in Bangalore. The more Mridula sees of the world, the more she realizes how selfish and materialistic people can be. But she does not take the ups and downs of life to heart, and lives each day with positive energy. Trouble brews when Sanjay quits his government job and starts an immensely successful private practice. With affluence comes the neverending ambition for more, and the inevitable slide into corrupt practices. For a long time, Mridula has no idea that Sanjay has sold

his soul; when the truth hits her, she has no recourse but to walk out on him. But can she really find a space of her own? This intricately woven novel explores human relationships in telling detail, and holds up a mirror to our society with candour and with conviction.

As she goes about her work with the villagers, slum dwellers and the common men and women of India, Sudha Murty—writer, social worker and teacher—listens to them and records what they have to say. Their accounts of the struggles and hardships which they have at times overcome, and at other times been overwhelmed by, are put together in this book. There are stories about people 's generosity—and selfishness—in times of natural disasters like the tsunami; women struggling to speak out in a world that refuses to listen to them; and tales of young professionals trying to find their feet as they climb up the corporate ladder. Told simply and directly from the heart, *The Old Man and His God* is a collection of snapshots of the varied facets of human nature and a mirror to the souls of the people of India.

We have all heard of how ' Silence is golden, but speech is silver ' . But does it hold true when taken literally? Somesh, a talkative ten-year-old boy, loved listening to the stories his father would tell him every night. One fine morning, however, the chatterbox woke up not uttering a single word. Despite the many efforts of his parents, Somesh just wouldn ' t say anything. In this genius tale that could only come from Sudha Murty, find out how and why Somesh stopped speaking and whether he ' ll ever speak again.

Indians believe that you must serve your guests well, for they come to your house in the form of god. This is the exact mentality Sudha Murty ' s hosts have when she goes to volunteer in a small village in Odisha. Because of the heavy rain, Murty decides to take shelter in one of the villagers ' hut—already low on supplies, what are the hosts ready to give up in order to serve their guest? Murty delves
