Globalization and Popular Music in South Korea: Sounding ...

Abstract. This study offers a cross-national multilayered analysis of music flows between 1960 and 2010. Advancing on previous empirical studies of cultural globalization, it attends to the global and country level, while adding the individual level of music flows. Concretely, the authors analyze the international composition of pop charts in nine countries by (a) mapping trends, (b) comparing countries, and (c) conducting multivariate analyses.

The Globalization of Popular Music, 1960-2010: A ...

The music industry is as big as it is today because of globalization. 18. Conclusion Globalization for the music industry allows for people to hear music from all around the world using many different devices. It also allows for artists to put music in countries they wouldn't have been able to 10 years ago.

Globalization in the music industry - SlideShare

Chapter 1 considers world popular music before neoliberalism. It first discusses musical modernization under the influence of liberal capitalism and organized capitalism, exploring the early/subsequent trajectories and themes related to musical globalization from the late nineteenth century through the
