What is Guided Reading? Guided reading is a group method of teaching reading skills that can be used in place of, though usually in addition to, occasional 1:1 reading and discrete phonics instruction. Generally speaking, guided reading involves teaching groups of children according to their ability levels.

### ~~How to teach guided reading (With activities)~~ — Literacy Ideas

Guided reading helps students develop greater control over the reading process through the development of reading strategies which assist decoding and construct meaning. The teacher guides or ‘scaffolds’ their students as they read, talk and think their way through a text (Department of Education, 1997).

Why is guided reading important in classrooms? Whole-class guided reading is a great learning opportunity for KS2 students because it allows them to work on both their reading and listening skills and it can help them to develop deeper understandings of literacy texts through class-wide discussions. With guided reading, you can also control the pace that your class reads the text.
