The Haynes-Schwelm flute was meant to be a knock off of the W.S Haynes flutes but they didn't succeed. They are no where near the quality of a W.S Haynes flute and that is why the company may have sounded offended when you called them. That and because they are two different companies. (Rivals at one time!) They don't got for much on eBay.

Valve keeps a running tally tracking every dollar you've ever spent on your account. Here's how to see how much damage you've taken during Steam sales. Third-party tools like SteamDB will "estimate" the value of your Steam account based on how much the games you own are currently being sold for. We're not using those tools here.
