I have been waiting a long time for Indestructible and it was completely. Indestructible is the third book in the Harmony series by Angela Graham. There is also a prequel novella, Indulge, that you can pretty much read at any point in the series. I do recommend reading it, though.

Indestructible (Harmony #3)Angela Graham. Indestructible (Harmony #3) Prologue. I was still a young girl when I learned that not every penny tossed in a fountain or plea with a shooting star would grant me a wish, and that not every story ends in a happily ever after. And as discouraging as that revelation was, it never deterred me from holding out hope.
