Over 1 million copies sold What every church will always need The need for talented, vigorous leaders in the church cannot be overemphasized. Such times demand active service of men and women who are guided by and devoted to Jesus Christ. With more than 1 million copies sold, *Spiritual Leadership* stands as a proven classic for developing such leadership. J. Oswald Sanders, a Christian leader for nearly seventy years and author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates his points with examples from Scripture and biographies of eminent men of God, such as Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. Featured topics include: The cost of leadership The responsibility of leadership Tests of leadership The qualities and criteria of leadership The art of reproducing leaders The one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God-given, and their true effectiveness can only be reached when they are used to the glory of God. Let this classic be your guide for leadership, and watch how God works through you to do great things for His glory.

“Take time and trouble to keep yourself spiritually fit.” — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture’s command seriously: “work out your own salvation with fear and trembling, for it is God who works in you.” They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus’ teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You’ll learn: The profile of an ideal disciple
Conditions for discipleship
The tests that disciples endure
How disciples pray and grow
The posture and practices of a disciple
And more
For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

Con más de 250.000 ejemplares impresos, Liderazgo espiritual ha demostrado ser un clásico permanente en la enseñanza de los principios del liderazgo. J. Oswald Sanders presenta e ilustra esos principios mediante biografías de eminentes hombres de Dios, hombres como Moisés, Nehemías, Pablo, David Livingstone y Charles Spurgeon.
