Traditionally in East Texas, we  
use drill paper to write our drill.  
This paper is called Accu-Chart,  
like the software mentioned  
below, and has a grid outline of  
the field where you can manually  
write out your drill in as much  
detail as you would like. There is  
no one correct way of writing drill  
with Accu-Chart, but what is  
important is that you accurately  
chart your drill ideas for yourself  
to read, understand, and teach to  
your ensemble.
