'Nobody has ever quite pulled it off the way Cain does, not Hemingway, and not even Raymond Chandler' Tom Wolfe Mildred Pierce is the story of a determined and ambitious woman who, after her feckless husband abandons her, by hard work and sacrifice builds a successful business to ensure the future of her pampered and selfish daughter. But she isn't prepared for the intrigues and devastating betrayals of those closest to her. This is James M. Cain's most substantial novel and a classic of the Depression years.

In Mildred Pierce, noir master James M. Cain creates a novel of acute social observation and devastating emotional violence, with a heroine whose ambitions and sufferings are never less than recognizable. Mildred Pierce had gorgeous legs, a way with a skillet, and a bone-deep core of toughness. She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class. But Mildred also had two weaknesses: a yen for shiftless men, and an unreasoning devotion to a monstrous daughter.

Mildred Pierce chasse son mari, peu gêné d'être sans emploi et d'avoir une liaison. Spécialiste des pâtisseries, elle vend sa production à ses proches et connaissances, et travaille comme serveuse. Elle peut ensuite ouvrir un, puis plusieurs restaurants. Elle a une liaison avec Monty Beragon que sa fille aînée Véra, jalouse d'elle en tout, lui prend. C'est le début de la fin...

Following her husband's death in a suspicious car accident, beautiful young widow Joan Medford is forced to take a job serving drinks in a cocktail lounge to make ends meet and to have a chance of regaining custody of her young son. At the job she encounters two men who take an interest in her, a handsome young schemer who makes her blood race and a wealthy but unwell older man who rewards her for her attentions with a \$50,000 tip and an unconventional offer of marriage... A Confederate spy risks his life to win the heart of a fallen woman. Early in the Civil War, the Confederacy sends Roger Duval to Sacramento, to keep an eye on the situation in California in hopes of turning the Western territory towards the Southern cause. It's a plush assignment, well out of the line of fire, but Duval hasn't been there long before he comes into mortal danger. On a swim in the Sacramento River, he gets knocked on the head by a paddleboat, and is drowning in the muck when Morina, a quick-witted woman of the night, tosses him a rope. Suffocated by instant, irresistible love, Roger follows Morina to her home turf: Virginia City, Nevada. For the miners, gamblers, and gunfighters who populate this hardscrabble town, her price is negotiable. But for a man in love, she charges a thousand dollars. Roger will sacrifice body, mind, and soul to get that money -- but will his sacrifice be enough to make her love him?

While slinging hash in a diner, a would-be Cinderella meets her Prince Charming. Carrie Selden is not at all like the woman you've read about in the papers. Though she was raised in an orphanage, she isn't an orphan. She didn't finish high school until she was nineteen, but that was because she was working as a waitress, not because she was slow. And though she's very cunning, well, she's no femme fatale. But her beauty ... oh yes, her beauty is everything you've heard. At twenty-one, she takes her savings and moves to New York City, landing a job at a diner called Karb's, at the bottom rung of the restaurant chain's tall corporate ladder. Though she makes minimum wage, Carrie is savvy, and it isn't long before she starts to climb. When her coworkers unionize, they choose her as president, and from there, the sky is the limit. But just as the union gets underway, she meets a mysterious intellectual named Grant -- who will either help her rise to the top, or drag her straight down to hell.

One man sells his soul to save an innocent -- who turns out not to be so innocent after all. Graham meets Sonya outside of his real estate office. She is sixteen, beautiful, and showing just the right amount of leg. He's ruminating on those legs when she drops the bombshell -- she's there because Graham's brother, Burl, raped her, leaving her frightened, pregnant, and very much alone. She was spending the night with a friend when two boys and a case of beer turned a quiet evening into a hellish orgy. All she wants is the \$1,111 it will cost to spend the next few months in a convalescent home, then give the baby up for adoption, but Burl won't give her the money. Sonya's vengeful father, meanwhile, wants far more money from Burl, to pay for harming his daughter. Graham offers Sonya a better choice: He'll marry her so that she can get a legal abortion. This moment of twisted generosity will change his life forever -- but he has no idea that, as he asks for Sonya's hand, he is signing away his soul.
