A Collection of Thoughts, Sayings and Meditations on the Way of the Samurai "It is said that what is called "the spirit of an age" is something to which one cannot return. That this spirit gradually dissipates is due to the world's coming to an end. For this reason, although one would like to change today's world back to the spirit of one hundred years or more ago, it cannot be done. Thus it is important to make the best out of every generation." – Tsunetomo Yamamoto, Hagakure: The Book of the Samurai A formerly secret text known only to the Samurai, Hagakure is a classic text on Bushido--the Way of the Warrior. More than just a handbook for battle, Hagakure is a text that filled with teachings that still apply in business, political and social situations today. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus

Living the Samurai Ideal in the 21st Century. The Way of the Modern Warrior is an explanation of the samurai philosophy of Japan's fiercest warriors, practiced for over 1000 years. The author, Hanshi Stephen Kaufman, has been a warrior for 50 years, first as a member of the military, then as an advisor to the military, and finally as one of the world's most distinguished martial artists. In his years of experience he has collected the wisdom that comes from practicing martial arts through countless lessons learned and lessons taught. The 55 precepts in his new book are result of those years of experience and they will guide the modern day warrior as they devote energy and creativity to their lives. These principles and philosophies include Kaufman's insights about: "Arrogance" "Ease and Grace" "Wise Men and Evil" "Being Genuine" "Shame and the Glory" The Way of the Modern Warrior is an
