This feels like the book Jackson was born to write." --Lee Child, New York Times bestselling author Named a Best Book by USA Today - People - The Wall Street Journal - Time - Entertainment Weekly - Bustle - and many more! From New York Times bestselling author Joshilyn Jackson, a twisting novel of domestic suspense in which a group of women play a harmless drinking game that escalates into a war of dark pasts In this game, even winning can be deadly... Amy Whey is proud of her ordinary life and the simple pleasures that come with it--teaching diving lessons, baking cookies for new neighbors, helping her best friend, Charlotte, run their local book club. Her greatest joy is her family: her devoted professor husband, her spirited fifteen-year-old stepdaughter, her adorable infant son. And, of course, the steadfast and supportive Charlotte. But Amy's sweet, uncomplicated life begins to unravel when the mysterious and alluring Angelica Roux arrives on her doorstep one book club night. Sultry and magnetic, Roux beguiles the group with her feral charm. She keeps the wine flowing and lures them into a game of spilling secrets. Everyone thinks it's naughty, harmless fun. Only Amy knows better. Something wicked has come her way--a she-devil in a pricey red sports car who seems to know the terrible truth about who she is and what she once did. When they're alone, Roux tells her that if she doesn't give her what she asks for, what she deserves, she's going to make Amy pay for her sins. One way or another. To protect herself and her family and save the life she's built, Amy must beat the devil at her own clever game, matching wits with Roux in an escalating war of hidden pasts and unearthed secrets. Amy knows the consequences if she can't beat Roux. What terrifies her is everything she could lose if she wins. A diabolically entertaining tale of betrayal, deception, temptation, and love filled with dark twists leavened by Joshilyn Jackson's trademark humor, Never Have I Ever explores what happens when the transgressions of our past come back with a vengeance.

Falling for the enemy has never been so deliciously complicated in this standalone romance where a sexy single dad meets his unexpected match! Get ready for all the feels! Never have I ever been so infuriated by a man I wanted to kiss. They say opposites attract, but I beg to differ. Combust is more like it. Because every single time I talk to Zach Nolan, I see red. The too-good-looking, too-smart, too-effortlessly charming single dad who works down the hall from me has turned getting under my skin into a sport. Call it the battle of wits between the wedding planner and the divorce attorney. Trouble is, when we're forced into closer quarters planning an engagement party for our best friends, I start to see his other sides. And I fear I'm falling for the enemy. \*\*\* I'm not out to make friends. My goals are simple -- fight till the end for my clients, and my family. The last thing I need is a vibrant, outgoing, snarky, and surprisingly big-hearted wedding planner to spend my precious free time with...except, watching Piper bond with my daughter just might break down the cinder block walls I've built around my heart these last few years. Second chances don't come around for guys like me...or do they?

Astrophysicist-in-training Piper Minogue has a lot of control over her day-to-day life. Between completing a Master's degree at Caltech and beginning her fruitful career at a local observatory she has little time for socializing. Until she attends one specific party that is. There, Piper is introduced to a drinking game called Never Have I Ever, and she finds herself admitting to a secret fantasy which challenges her friends' views of her otherwise prudish nature. Her confession piques the interest of one man in particular, Noah; a handsome stranger with a darkly boyish charm. The resulting spiral of rapture and torture that follows is threatened by the demons of both their pasts. Piper's inability to give her heart to anyone, and Noah's guilt over the death of his former lover claw to the surface to tear Piper away from not only the one man who has ever made her feel like she does not have to be in control of her desires, but also the newly collected list of Nevers they both want to turn into reality.
