What links Winston Churchill, Alan Sugar, Richard Branson, Jamie Oliver, David Bailey, Will Smith and countless other high achievers in a huge range of fields? In this paradigm-shifting book, neuro-learning experts Drs Brock and Fernette Eide describe an exciting new brain science that reveals that people with dyslexia have unique brain structure and organisation. While the differences are responsible for certain challenges with literacy and reading, the dyslexic brain also gives a predisposition to important skills and special talents. While dyslexics typically struggle to decode the written word, they often also excel in such areas of reasoning as mechanical (required for architects and surgeons), interconnected (artists and inventors); narrative (novelists and lawyers), and dynamic (scientists and business pioneers). The Dyslexic Advantage provides the first complete portrait of dyslexia. With much-needed prescriptive advice for parents, educators and dyslexics, The Dyslexic Advantage provides the first complete portrait of dyslexia. Supporting their claims with groundbreaking science and interviews with successful dyslexics and innovative teachers, the authors of this essential book show how the unique strengths of dyslexia can be captured for success at home, at school and at work.

Passing the Florida driver's license test can be easier than you ever imagined when you use this handbook or manual which is a compendium of road and traffic signs, to prepare. Experience has shown that over 70% of the test questions border around road and traffic signs which have been systematically organized to adequately cover all-road/traffic signs. Using this all-in-one road and traffic sign handbook would certainly be very helpful to all test-takers and other road users and Instructors. The more you take these practice tests, the more you get familiar with the answers. For a successful test, I strongly advise you to get very familiar with each sign. This is made possible as you ensure to you flip through the pages of this manual as many times as you can so as to hit a consistent score of up to 85% and above correct answers each time you take the practice test. This approach would help you get very conversant with the signs which automatically put you on track to securing a mind-blowing score in the real DMV test.This book contains skillfully formulated questions and answers on road and traffic signs. You will be amazed to find the questions in this book to be really very similar to the actual test questions. And as you prepare using these practice questions and answers as opposed to reading the DMV driver's handbook which has shown to be really time-consuming, you will learn basic driving skills, road signs, and traffic signals with their meanings. This book will among other things teach you how to answer the trick questions which always appear in the DMV test. As I have guided many test-takers towards achieving success in their DMV exams, this manual was put together to give a helping hand to many more people. Get your copy and enjoy success all the way in your DMV Exam and driving experience.Buy this book now!
