how to work together as a team, gives singles some practical tips for financial accountability, and shows parents how to teach their children about money from a young age"--Container.

"It is beautiful to look at, hard to reach, and terribly difficult to climb. Winds of 200 kilometres per hour or more scream across it day and night, while the temperature falls to -20°C or lower. Every year, some who try to climb the highest mountain in the world do not return. But for a century people have been coming to climb Everest - some alone, some in groups, but all with a dream of going to the highest place in the world. This is their story"--Back cover.
