Having returned from the infernal Abyss only to find his whole world changed, young "sinner" Oz Vessalius embarks on an attempt at normalcy after being reunited with his best friend and valet, Gilbert, whom he had presumed dead. But during a trip into town with Gil and Alice, an unexpected encounter leads Oz down memory lane...For Oz, however, the path is one covered with the most menacing of thorns. And lying in wait to assail him there...The baleful eye of his father and the echoes of cursed words Oz would much rather forget...

Within these pages, four fairy tales unfold, each peering into one of the houses of the four great dukedoms: Vessalius, Rainsworth, Barma, and Nightray. Shifting among present, past, and future, these stories link to each other like a wheel, traveling to and fro in a never-ending ring between the everyday and the extraordinary. Inside this ring, the protagonists take off at a gallop. Caucus race: A race that is run within a circle, any which way one likes. A race with no goal. Who will be the winner? Look deeper into the world of PandoraHearts with this first ever novelization based on the work of the New York Times bestselling manga creator Jun Mochizuki, illuminated by special manga shorts drawn by Mochizuki herself...

The tragedy that befell a bustling city a hundred years earlier. Eyes of ill omen. Stone seals. The warped gears that began turning long ago play out a requiem for one who was much loved. The solemn sound of the dirge colors the world that hears its notes a melancholy gray...as though it was always meant to be...

The earnest emotions of one man cross the divides of space and time, laying bare his life, which was long hidden in the depths of memory. But when these revelations come to pass, the reality Oz has known begins to change and shift into something wholly bewildering. Could the desire in one man's heart have been the very darkness gnawing at everything all along...?

The snow-white maiden encountered once upon a time in the depths of the Abyss by the clown christened the Red-Eyed Specter...who was she really? As there are two sides to every story, could it be there are two sides to the existence known as Alice? Duke Barma may have provided a sordid outline, but Break colors the tale with vivid swathes of bloody crimson as he opens up about his past. Will these tragic truths long secreted away isolate Break further from his allies once he has revealed them?

Where in the world are you? This question is posed to Oz Vessalius once more. After overcoming the chains of infinite despair that bind him, the answer at which he arrives becomes a blinding light,

piercing through the jet-black darkness. As though hope can be spun out of the emotions of a person's heart...

What I have granted them...is the "possibility" of survival. "I want you to be 'happy.'" One man's parting wish succeeds in awakening Oz's heart, long held captive in the depths of his own soul, as though breaking all the chains that bind him...

With Pandora and the Baskervilles in a race to discover the whereabouts of the seals that secure Glen Baskerville's body, Oz and his friends are caught up in the ensuing fury of this ruthless hunt. Amidst this chaos, Oscar Vessalius organizes a brief respite for his beloved nephew and his companions in the form of an outdoor tea party. When Oscar surprises all present with an impromptu group photograph, the memory of their fleeting peace together is captured in time so as to never be forgotten. If only such memories could be made to last forever by the simple act of wishing...

Just when it seems the tragedy of Sablier is on the verge of recurring at Isla Yura's residence, the sinister blade of the Headhunter swings once more. From the darkness where the mysteries of Fianna's House and Humpty Dumpty converge, one truth will come to light: an unmoving reality that is itself so shocking, it seems like an illusion...Will Oz and his allies ever recover?

Pandora, now under the control of Leo and the Baskervilles, bears witness as the truth of the being known as Oz Vessalius is exposed for all to see.
