Little did James realize when he answered the ad in the paper that he would be thrust into the middle of an adventure that will test the limits of his intelligence and courage. Not given any sort of explanation why he has been brought to this world, James, a high school senior, must discover the reason. He quickly realizes that he's able to use the knowledge he gained through the hundreds of books he's read, as well as the time spent in role playing games to help him along. The world he's been brought to is one on the edge of war and only by learning to control the magic within himself will he be able to survive the trials ahead. With the help of a boy named Miko, he sets out across this strange world to discover why he's there and what he must do.

Trapped within the City of Light when it fell to the Empire, James' young friend and companion Miko was captured and is being taken as a slave into the Empire. The last thing James said to Miko before they were seperated was: "I'll find you." Now James, with the aid of newfound allies, travels into the Empire to do just that. Posing as a caravan merchant from Cardri, he journeys from city to city in his search to rescue his friend. From the City of Light, to the slave markets of Korazan, even unto the Empire's capital itself, James continues the hunt for Miko, unwilling to leave him to his fate. In this second book of the epic fantasy series, The Morcyth Saga, Brian S. Pratt continues to give us the heart pounding action that his readers so much enjoyed in the first. For more information on Fires of Prophecy, or any of the other books written by Brian S. Pratt, go to the author's official website at: www.briansprattbooks.com.

This Box Set includes the first complete book of each of Brian S. Pratt's most popular Fantasy Worlds: "The Unsuspecting Mage of The Morcyth Saga" "Want to be a mage? Then do we have the job for you..." "Sounds great for a veteran role-player. When on-the-job training entails battling demons, learning magic through trial and error, and living in a world without toilet paper, things could get rough. But to be dropped in the middle of a forest and having to do it on your own with no instruction...welcome to James' world. It all gets started when his grandfather suggests to James, a young man on the verge of graduating high school, that he check out the following advertisement for a job. "Magic! Real Magic! Ever wanted to learn? We require someone with intelligence and a disciplined mind. Those well versed in fantasy novels and role playing games a plus. May need to travel." Sounded like the perfect job for a veteran role-player and avid fantasy reader. James had no idea he'd be whisked to another world, completely cut off from friends and family. Arriving in a meadow in the middle of a forest, he's greeted by a creature not entirely human. He was then told three things: Magic works here...Don't try to go home...Get to the village of Trendle...Then the creature vanished. Which way was Trendle? Where was he? What might inhabit the forest that will seek his ruination? These were but a few of the questions needing to be unraveled. Alone with only his wits and knowledge gleaned from hundreds of books and dungeon campaigns, he started out just trying to survive. He soon learned that one mistake, one lapse in judgment could mean his death. Not long after arriving, he made the acquaintance of Miko, a street-wise kid who quickly became his friend and companion. Little did he know that the strength within this child from the streets of Bearn, a strength that would be tested again and again as they waded through battle after battle, delved in hidden passages deep beneath the earth, and faced off against an the might of an Empire, would be invaluable in the trials ahead. The Unsuspecting Mage is the first book of The Morcyth Saga, a seven book epic fantasy adventure. It follows James as he seeks first to master the art of magic then to uncover the reason why he had been brought to this strange new world where armies are on the move and gods meddle in the affairs of men. *****Shepherd's Quest of The Broken Key Trilogy Longing for adventure is one thing, but when it becomes reality...Four comrades set out to recover the segments of a key which they believe will unlock the King's Hoard, rumored to hold great wealth. Written in the style of an RPG game, with spells, scrolls, potions, Guilds, and dungeon exploration fraught with traps and other dangers. *****Jaikus and Reneeke Join the Guild of The Adventurer's Guild Jaikus and Reneeke are ordinary lads whose dream in life is to become a member of The Adventurer's Guild. But to become a member, they must be able to lay claim to an Adventure worthy of the Guild. They quickly realize that doing such may be harder than anticipated. Tagging along with a seasoned Group

of Adventurers as "Springers" they set out only to later learn that Springers-Spring the trap

IT'S WAR!!!During his expedition to find the lost priests of Morcyth, James learned in part why he was brought to this world. But to accomplish what needs to be done, the City of Light must again be free of the Empire. In order for that to happen however, he will have to devise a campaign through which such could be made a reality. Once the spring thaw begins, and the passes leading into Madoc are again passable, he leads a force from The Ranch over into Madoc. Beginning at Lythylla, Madoc's capital, he sets into motion a series of events which he believes will see the Empire driven from Madoc's soil. A friend's past brings unexpected allies and James stumbles upon a dark secret buried deep beneath the ground for centuries. A secret better left alone. To learn more about Shades of the Past, or any of the other books by Brian S. Pratt, visit the author's official website at: www.briansprattbooks.com.

Through the machinations of an old enemy, James is summoned to appear before the Royal Court of Cardri. While in Cardri, Ellinwyrd the Archive Custodian aids him in deciphering the riddle discovered in the city of Saragon. Unable to bear the message himself, Ellinwyrd sends a scroll upon which is written a single word, Ironhold. The quest in search of Ironhold leads to the mountainous region in northern Madoc. There he discovers ruins built by the last priests of Morcyth when they fled annihilation by the followers of Dmon-Li, as well as a secret that has been hidden away for centuries. An old friend resurfaces from a place of darkness and new allies join to aid him on his quest. Growing in aptitude and versatility, James encounters his most challenging situations yet! For more information about The Star of Morcyth, or any of the other books written by Brian S. Pratt, visit the author's official website at: www.briansprattbooks.com.

She was the original Cinderella...Doricha is twelve when her father is murdered by a roving band of Greeks. Betrayed by a jealous priestess and sold into slavery, headstrong Dori loses her most valuable possession-her freedom. She hopes that one day she can truly be free, but not even Aesop, her mentor, can protect her. The harsh world of classical Greece has little use for the minds of women, and she finds her body traded to another owner, who transports her to a new life of luxury and political turmoil in the faraway deserts of Egypt. All she has to do is be beautiful, all she has to do is love him, and she will be kept safe. The problem is, Dori doesn't want to be kept--by any man. Not even the god-king Amasis, Pharaoh of Egypt. From the ancient Thracian temple of the Bacchae to the exotic lands of Egypt where political intrigue coils like a nest of asps, Dori learns that fulfilling her father's dying wish is not about bands around her wrists so much as it is bands around her heart. Based on persons and historical events of 26th dynasty Egypt, HETAERA fictionalizes the life of Doricha/Rhodopis--a most extraordinary woman who changed the world. "HETAERA- DAUGHTER OF THE GODS is a fascinating historical novel in which the strength of one woman triumphs over adversity, and ultimately frees her soul. Slave, temple dancer, concubine, courtesan, she is called many things, but each title must be stripped away so that she can discover who she truly is. A compelling story." -- Christy English, author of THE QUEEN'S PAWN and HOW TO TAME A WILLFUL WIFE

#GROWLIKECHEF is an easy-to-follow guide to growing autoflowering marijuana in your home. ChefAnnawiththepot made a name for himself on Instagram, documenting his journey on a weekly livestream series. Chef wrote this book to serve his community, and anyone else joining the home-grown marijuana movement. Growing marijuana isn't complicated, and it shouldn't be overwhelming. This guide delivers a one-size-fits-most plan and spills all of Chef's secrets, even his exact nutrient blend. If you're tired of buying marijuana and want to free yourself from unreliable dealers, this book is for you.

Hot shot Private Investigator Cole Ustick couldn't care less about politics. However, his boss thrusts Ustick into the world of Idaho politics by assigning him the case of gubernatorial candidate Ignacio Hernandez. Hernandez wants to find the women behind thinly sourced allegations of sexual misconduct against him that appeared in the state's largest newspaper. When he's confronted by uncooperative campaign staffers who would rather keep their own secrets than save their boss' campaign Ustick takes matters into his own hands. He tricks the reporter behind the scandal into revealing one of Hernandez's accusers. When the woman turns up dead and Hernandez is charged with her murder, Ustick finds himself embroiled in the biggest political scandal in Idaho history. The body count rises as Ustick tries to uncover the truth behind a power hungry alliance that will stop at nothing. Will Ustick identify the true players behind the plot or become their next victim?

In this dramatic short story -- a prequel to the award-winning Chaos Walking Trilogy -- author Patrick Ness gives us the story of Viola's journey to the New World. Whether you're new to Chaos Walking or an established fan, this prequel serves as a fascinating introduction to the series that Publishers Weekly called one of the most important works of young adult science fiction in recent years.

They say London is the city that never sleeps. Man, you have no idea...A new job, a new life and a new home, Rose has left the pain of the past behind. But if she thinks she's going to have it easy she's in for a shock. There's Roman for starters, a complication with a capital C. With the racing pulses and the x-rated thoughts, she can barely keep it together. And then he decides to drop a bombshell. It's the domino effect alright, because hot on the heels of his revelation come a few unpleasant ones of her own. Rose discovers that there is a darker side to London, an ancient secret, a world that she belongs to and one that could get her killed. Question is, can she keep it together long enough to kick danger's arse?
